

Storm Brewing is looking for a **part-time Assistant Brewer** to join our small, friendly, and hardworking crew.

We're a local, independent brewery making beer our own way, and we're looking for someone who isn't afraid to get their hands dirty! This is a physical, hands-on role that covers everything from cleaning and filling kegs to canning, deliveries, helping out on brew days and making every guest feel welcome and at home. Everybody who works at Storm does a little bit of everything so a positive attitude is an absolute must.

About Storm:

Storm Brewing has been doing things a little differently since 1994. We're an East Vancouver brewery with a decidedly DIY approach, a lot of character, and an amazing community we love serving.

If you like good beer, hard work, weird ideas, and the kind of brewery where you're actually part of making the thing, you'll probably fit right in.
